Boys State of Virginia, Inc.
FEDERAL ID 54-6047111

June 20, 2010

Dear Citizen of Boys State:

On behalf of the almost three million members of The American Legion, I welcome you to this outstanding program.

You will remember your week at American Legion Boys State for a lifetime. It has been the springboard for many careers in public service. For some, it has been an opportunity to develop friendships, camaraderie and to share experiences in a common fraternity that extends long after the on-site program ends.

This program is not a sports camp or summer camp, however it is an intense week of studying, and forming city and state government. You will experience government in a practical sense by actually participating in it. Boys State is a leadership action program which teaches government, its structure, and proves that government is just what you make it.

Again, welcome, and be prepared for an unforgettable experience.

Sincerely,

Mike Harris
Director

PLEDGE OF ALLEGIANCE

I pledge Allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with Liberty and Justice for all.

POLITICAL ORGANIZATION

Historians are divided as to whether our country's strong two-party political system was an inevitable byproduct of the form of democratic government practiced in this Nation, or vice versa. In any case, all scholars agree our country's political history has been shaped and molded by the vigorous party competition that, even today, dominates the recruitment and selection of our Nation's elected leaders.

Virginia politics in the 20th century were dominated by a party machine which traces its antecedents to the reaction to Reconstruction after the Civil War. In the last two decades, however, the machine influence has been lessened through a combination of active reemergence of the "other" party and factionalism within the dominant party.

Virginia's most recent experience has also been reflected in the Nation as a whole as regions once considered "safe" for one particular party have now become characterized by uncertain political allegiance. Undoubtedly, this circumstance has been caused by the growing number of unaligned voters who profess to "vote the man rather than the party." However, despite the obvious benefits of informed, independent voters, the continuing value of the active two-party system cannot be understated. Our Nation's history demonstrates that, in most instances, such a system has worked to the benefit of democratic ideals that are so essential to our way of life. Given the fact that our electoral processes are geared to two-party competition, it is crucial that strong leaders continue to take advantage of the opportunities and restraints offered by political affiliation.

Great emphasis is placed on political parties, political campaigns and elections in Boys State. It is believed that citizens of a community, state, or nation have a better opportunity to express themselves in government through the medium of political parties than through their individual efforts as citizens. Political parties afford the opportunity for collective thinking and sincere cooperation in analyzing problems that affect citizens as a whole.

The program at Boys State also operates so as to confront each citizen with some of the dilemmas created by political affiliation. For example, during the course of the week, each citizen will be asked to vote for one candidate because they are of the same party, another candidate because they are from the same city, another because they come from the same high school, and yet another because they are friends. Given any number of combinations of these and similar factors, each citizen will be forced to make hard choices. In the process, each citizen will learn political affiliation does not preclude voting from the conscience or heart.

The political parties at Boys State, Nationalist and Federalist, are fictitious in that they represent no actual parties in name or ideology. However, the leaders of the Boys State parties must make their parties meaningful and attractive if they expect to meet with success. Each party will have the opportunity to draft a platform, a statement of commonly shared goals and beliefs. The party that drafts a platform which appeals to the largest number of voters will have provided its candidates with a head start towards winning the elections.

The key to any successful political system is participation. If the most competent individuals chose to remain on the sidelines, the best leaders can never be chosen. Political organization is only a tool. Each citizen should strive to use that tool in a way most favorable, first, to his fellow citizens, and, second, to himself. As noted by the late Senator Hubert Humphrey, "the only unsuccessful candidate is the one who fails to make the race."

ELECTED OFFICIALS, APPOINTED OFFICIALS AND SPECIAL PARTICIPANTS

During the course of Boys State week, each citizen will assume certain responsibilities. A citizen may be elected to an official post by his fellow citizens. He may be appointed to an official post by his fellow citizens. He may be elected or appointed to assume responsibilities in an unofficial post as a special participant. Boys State is organized so as to approximate the structure of Virginia state and local government as closely as possible. Consequently, an "official" post is one which actually exists in state government. An unofficial post is one which has no counterpart in state government but which is crucial to the efficient operation of Boys State. The following list is a summary of the elected officials, appointed officials, and special participants. Each citizen should study the list and decide which position(s) he will seek to attain. Your city counselors will provide additional information as to how such positions are filled. Every citizen will have the responsibility and opportunity to serve in some capacity.

Governor – Serves as the highest elected office at Boys State. This individual is elected on Thursday. The governor appoints and presides over a Cabinet of various state officials. The Governor and his Cabinet submit bill proposals to the Boys State Legislature. He considers and either approves or vetoes bills passed by the legislature. The Governor makes several speeches to the citizens of Boys State, summarizing his activities and decisions.

Lieutenant Governor – Serves as chief executive officer of Boys State in the event the person elected Governor is unable to serve. The Lieutenant Governor also is the presiding officer of the Boys State Senate.

Attorney General – Chief legal representative of Boys State. He sits on the Governor's Cabinet and advises the Governor on legal matters. The Attorney General is an active participant in the Moot Court program. Only those citizens participating in Moot Court are eligible for election as Attorney General.

Senators – There are two senators chosen from each Boys State City for a total of 32. This group sits as the upper house of the Boys State Legislature.

Delegates – There are five delegates chosen from each Boys State City for a total of 80. This group sits as the lower house of the Boys State Legislature.

City Mayors – Each city elects one mayor. The mayor is the chief executive officer of the city. He presides over all city meetings and is generally responsible for the city's conduct.

City Councilmen – Each city elects six members to its city council. The council passes ordinances for the city. The councilmen also assist the mayor.

City Treasurer – Holds monies collected for city activities. He may also be asked to investigate and report to the city council regarding monetary matters.

City Clerk – Keeps minutes for all city meetings. He also acts as court clerk in the case of a city circuit court trial.

City Commissioner of Revenue – Collects monies necessary for city activities such as parties. He works with the treasurer in budget management.

City Sheriff – The city’s chief law enforcement officer. He assists the mayor in maintaining proper conduct.

City Commonwealth’s Attorney – The city’s chief legal officer. He advises the mayor and city council on legal matters. He prosecutes cases in the circuit court.

Other Elected Officers – There are many other elected officials such as city party chairmen, state party chairmen, legislative leaders and convention delegates. They are not considered “constitutional officeholders” inasmuch as their offices are not established by constitution or law. The method of selection and function of these officials will be explained during the course of Boys State week.

City Electoral Board - Three individuals from each city are appointed to serve on the city electoral board. These individuals supervise the electoral process. They appoint officers of election.

Officers of Election – Three individuals from each city are appointed by the city’s electoral board to serve as officers of election. The officers of election actually conduct the city’s elections. They count ballots and report the results.

State Board of Elections – Three individuals are selected as the members of the Boys State Board of Elections. They supervise the state campaigns.

Boys State Supreme Court – The Virginia State Constitution and Code provide for the selection of seven Supreme Court Justices. The justices in turn elect their Chief Justice. A major duty of the Boys State Legislature will be to elect the members of the Boys State Supreme Court. Only those citizens who are participating in the Moot Court Program will be eligible for election as Supreme Court Justices. The Supreme Court will preside over the Moot Court final arguments, and will consider any appeals from the City Circuit Courts. All eligible citizens interested in serving on the Supreme Court should make their wishes known to their legislative representatives at the earliest possible time subsequent to the election of state legislators.

Boys State Court of Appeals – Eleven citizens are appointed by the governor on Saturday morning to sit as the Court of Appeals. While normally selected by the legislature, the appointment of these judges is intended to illustrate that the governor makes interim judicial selections when the legislature is not in session.

Circuit Courts – The Boys State Legislature elects and appoints one individual from each city to serve as that city’s circuit court judge. Each city nominates a person for consideration by the Legislature, usually by vote. The circuit court judges are the trial judges in cases involving rules infractions.

Governor’s Cabinet – The Governor’s Cabinet is appointed by the Governor following his election on Thursday. The composition and functions of the cabinet are described below.

GOVERNOR'S CABINET

Shortly after his election on Thursday morning, the Boys State Governor will select the Secretaries who comprise the Governor's Cabinet. In actual practice in Virginia, each Secretary supervises various state agencies falling under his general area of responsibility, as provided by Executive Order of the Governor. At Boys State, the Secretaries assist the Governor in the performance of his overall function, and in the formulation of a Boys State budget, which will ultimately be submitted to the Boys State Legislature for consideration. The Governor's Cabinet will meet on Thursday afternoon and evening, and again on Friday.

In addition to the Governor, Lieutenant Governor, and Attorney General, the members of the Governor's Cabinet are as follows:

1. Secretary of Administration
2. Secretary of Agriculture and Forestry
3. Secretary of Commerce and Trade
4. Secretary of the Commonwealth
5. Secretary of Education
6. Secretary of Finance
7. Secretary of Health and Human Resources
8. Secretary of Natural Resources
9. Secretary of Public Safety
10. Secretary of Technology
11. Secretary of Transportation
12. Assistant to the Governor for Commonwealth Preparedness
13. Senior Advisor to the Governor for Workforce

Those citizens wishing to serve on the Governor's Cabinet might choose to align themselves with a particular gubernatorial candidate. In any event, those wishing to serve should make their intentions known to the successful candidate for Governor as soon as possible. No more than two persons from any one city may serve on the cabinet.

MOOT COURT

The Boys State Moot Court program is one of the instructional activities conducted during the afternoon recreational period on Monday through Friday of Boys State week. Those participating in Moot Court will be instructed in certain functions of an attorney-at-law, particularly in the matter of appellate advocacy. Teams of participants will argue legal issues before Moot Court judges. The two team finalists in the competition will engage in final arguments before the Boys State Supreme Court on Friday afternoon.

The Moot Court program serves several additional functions in the Boys State Program. Only those citizens participating in Moot Court will be deemed eligible for election as Boys State Attorney General and as Justices of the Boys State Supreme Court. Thus, the Moot Court will serve the functions of an accredited law school, educating those interested in legal practice at Boys State, and as a Board of Bar Examiners, certifying those citizens who are eligible to practice law, at least at the highest level of Boys State government.

Along with the Better Speaking Seminar and the Parliamentary Procedures Class, the Moot Court program serves as an excellent educational opportunity for those citizens interested in the practice of law, public service, or the performance of leadership functions in the public or private sectors.

ORGANIZATION OF GOVERNMENT CITY ELECTORAL BOARD

Each City will select a City Electoral Board, comprised of three citizens, two from the Nationalist Party and one from the Federalist Party. Under Virginia law (Code of Virginia (1950), Title 24.1, Section 29, as amended) the City Electoral Board would be appointed by the resident judges of the Circuit Court of the City. Since Boys State has no judges this early in the week, an alternate method of selecting the Electoral Board from two members of the Federalist Party and only one from the Nationalist Party is the following sentence from the Code of Virginia (same section and paragraph cited above):

"A majority of the electoral board shall be from the political party which cast the highest number of votes in the Commonwealth for Governor at the last preceding gubernatorial election."

The Electoral Board of each city will have two primary responsibilities, which are as follows:

1. It shall be the duty of the electoral board to appoint not less than three competent citizens who shall constitute the officers of election for all elections to be held in their city, (Code of Virginia (1950), Title 24.1, Section 105, as amended). The officers of election will not be eligible to run for an elected state or city state or city office. The electoral board must choose as officers of election three individuals who have decided not to seek elective office.
2. In case of a tie vote for any city office, the electoral board will make the determination by lot. Further instructions are included in the material distributed outlining the procedure for conducting city and state elections.

The Electoral Board for each city will be chosen on Sunday night. The Electoral Board shall immediately choose the Officers of Election. Due to the small number of citizens in each city, the Electoral Board members may choose to designate themselves as the Officers of Election.

The Officers of Election will report to Boys State Headquarters for instruction on voting procedures on Monday night

STATE BOARD OF ELECTIONS

Three of the 16 City Electoral Board Chairman will be chosen to serve as the State Board of Elections. The State Board of Elections will supervise the state elections by publishing and enforcing campaign rules. The State Board of Elections will also organize and preside over the State Campaign Rally.

POLICY REGARDING ELIGIBILITY FOR POLITICAL OFFICE AT BOYS STATE

It is the intent of the Boys State program to parallel the political practices in the Commonwealth of Virginia as closely as possible. However, due to certain time considerations and the small size of the Boys State Cities, certain exceptions must be recognized. It should also be remembered that one of the primary objectives of Boys State is to achieve active participation of as many citizens as possible. Consequently, certain rules and limitations regarding eligibility for political office must be imposed.

1. Members of the City Electoral Board are eligible for elective office except for any member who is also on the State Board of Elections.
2. Members of the City Electoral Board may also serve as City Officers of Election. (If possible, different individuals should serve as officers of election).
3. City Officers of Election are not eligible for elective office. City Officers of Election may be selected as Justices of Supreme Court, Judges of the Court of Appeals, or Circuit Court Judge.
4. Members of State Board of Elections are not eligible for elective office. However, members of the State Board of Elections may be selected as Justices of the Supreme Court, Judges of the Court of Appeals, and Circuit Court Judges.
5. Due to the schedule conflict between the political conventions and the sessions of the Boys State Legislature, members of the Senate and House are not eligible for nomination to the offices of Governor, Lt. Governor, or Attorney General.
6. City Mayors are not eligible for any other elected or appointed office.
7. Sheriffs are not eligible for any other elective or appointive office.
8. Only those persons participating as city representatives in the Moot Court class will be deemed eligible for election as Attorney General or in Justices of the Supreme Court. Any citizen who is otherwise eligible may serve as a Judge of the Court of Appeals or Circuit Court Judge.
9. It may prove impossible for Moot Court participants to continue in the class if they are elected or appointed to major offices with conflicting responsibilities, but Moot Court participants are not excluded from such elective or appointive offices.
10. Justices of the Supreme Court and City Circuit Court Judges are eligible for nomination to the offices of Governor, Lt. Governor, and Attorney General, though a Circuit Court Judge can be eligible for the office of Attorney General only if he is also a participant in the Moot Court program. Justices and Judges are not eligible for any other elective or appointive offices. If a Supreme Court Justice or Circuit Court Judge accepts nomination to state office, he must and will be considered to automatically resign his judicial office.

11. Members of the Boys State Legislature are not eligible for selection as Justices of the Supreme Court, Judges of the Court of Appeals or Circuit Court Judges.
12. Supreme Court Justices and Circuit Court Judges may not serve as City Party Chairmen, Judges and Justices are allowed to be voting delegates at party conventions.
13. While it is not prohibited, it is suggested that city party chairmen plan not to run for state office.
14. City party chairmen are not eligible for election to the Boys State Legislature.
15. State party chairmen are not eligible for state elective office.
16. All citizens are eligible for appointment as a Secretary on the Governor's Cabinet. However, any citizens accepting appointment to the Cabinet as a Secretary must and will be considered to automatically resign any legislative or judicial office which he holds.
17. Members of the Boys State Color Guard should plan not to aspire to any major elective or appointive office including Governor, Lt. Governor, Attorney General, Mayor, Senator, Delegate, or Supreme Court Justice.
18. All citizens are eligible for consideration for honorary designations and appointments such as delegate to Boys Nation and Outstanding Citizen.

PARLIAMENTARY PROCEDURES CLASS

Each city will choose representatives to attend a week-long Parliamentary Procedures Class, to be conducted each afternoon. All other interested citizens are invited to attend. Two individuals from this class will be selected as the chief parliamentarians at the party conventions.

BETTER SPEAKING SEMINAR

The Better Speaking Seminar will be conducted during the afternoon recreational periods. The citizens in the Better Speaking Seminar will receive instruction in the art of public speaking. In conjunction with the instruction, a better speaking contest will be conducted. The winner of the competition will deliver a speech to all citizens of Boys State during the graduation activities on Friday evening.

BOYS STATE NEWSPAPER

Each city will choose a representative for the Boys State Newspaper. The newspaper will be produced and distributed on a regular basis, and will contain items of interest, cartoons, and results from various elections and competitions. The newspaper staff will meet during recreation period and at other times as necessary.

ATHLETIC PROGRAM

Boys State maintains an active and diversified athletic program. Each city will participate in a number of team and individual sports. The city athletic director is responsible for coordinating the intramural program. An announcement will be made early in the week as to what sports and what resources will be available.

STATE CONVENTIONS AND ELECTIONS

The two political parties of Boys State conduct their party conventions beginning on Tuesday evening. The primary purpose of the convention is for the parties to nominate their candidates for Governor, Lieutenant Governor, and Attorney General. For purposes of this exercise, it is assumed that the State Central Committee of each party has previously met and decided on a convention, rather than a party primary election, as the method for nomination of state-wide candidates.

The parties adopt a platform, which is a statement of the party's views and beliefs. Each party selects a convention chairman who also serves as the party chairman for purposes of the campaign. The parties then nominate candidates. Following the conventions, the candidates and their parties campaign. The campaigns culminate with the campaign rally on Thursday morning. At the rally, the party chairmen describe their party's platform. The various candidates then speak to all the citizens in support of their candidacy. The state elections are then conducted.

CIRCUIT COURT TRIAL

At some point during the week, each city will conduct a Circuit Court Trial or a Circuit Court Trial Exercise. The preceding will involve the Circuit Court Judge, Commonwealth Attorney, City Clerk, and other participants. The procedure for the trial is set forth later in this booklet.

CITIZENSHIP MEDAL

A Citizenship Award will be presented to the outstanding citizen of each city. The recipient of this award will be selected by his fellow citizens. It will be given to that citizen who, during the week at Boys State, has exhibited to the highest degree, the qualities and characteristics of a good citizen of American Legion Boys State. As a guide in the selection of this citizen the following will be considered.

1. **DEGREE of PARTICIPATION** in activities.
2. Cheerfulness of **COOPERATION** (including promptness and faithfulness of attendance)
3. **INITIATIVE** and **IMAGINATION** displayed.
4. Willingness to accept and carry out responsibilities – **LEADERSHIP**.
5. **PERSONALITY**.
6. **GOOD FELLOWSHIP**.
7. The degree to which the welfare of Boys State in general and the City in particular were placed ahead of the personal convenience or pleasure of the citizen – **SELFLESSNESS**.
8. **CHARACTER**.

The method used for the selection of this award will be as follows: Each citizen will write the name of the citizen whom he has selected on a slip of paper and give it to the counselor, who after receiving all the votes will count them and the citizen receiving the greatest number of votes will be chosen. In case of a tie, the names of the two citizens will be announced and a second vote taken.

CITIZENSHIP TROPHY

Donated by
JUDGE CHARLES W. CRUSH

This trophy, provided by the founder of Virginia Boys State, will be awarded to the most outstanding city in the American Legion Boys State. The city receiving this award will be selected by a group of administrative counselors who are not assigned to cities. It will be given to that city in American Legion Boys State, which has exhibited the best qualifications and characteristics of citizenship, and participation.

Information relative to the criteria to be used in making the selection and a sample score-sheet will be distributed to all cities prior to the opening session.

Charles Wade Crush, Montgomery County judge, historian and civic leader, was born in Christiansburg, Virginia, around 1894; he earned his degree in law from Washington and Lee University in 1913. He later attended the University of Texas and practiced law in Texas for a short time before returning to Christiansburg. During World War II, Crush served with the 314th Machine Gun Battalion. (Crush's interest in military affairs would continue throughout his life, serving as commander of the Virginia Department of the American Legion and as an officer in Company 161 of the Virginia Reserve Militia.) From 1923 to 1935, Crush served as commonwealth's attorney. He later served as Christiansburg postmaster for 10 years and as judge of the county court from 1948 until his retirement in 1963. Crush died on March 18, 1970.

VIRGINIA BOYS STATE SONG

It's the Boy's State of Virginia that you see,
And if you're a member let me shake your hand.
Let's drink a toast, to our Legion Posts,
And to its members round the World
Who fought for Uncle Sam.
Tell the World our Mot-to "Faithfully We Serve"
Means we'll get the message from our Counselors.
And the Boys of State will have their share,
Of helping our Virginia State.

Chorus

We pledge allegiance now, to the great State we Serve,
And to the Boys State that we love Oh so well.
We shall re-member long, the lessons taught to us,
By our Great Legion at Old L.U. (Rah).

Words and Music Arr. By J.S. Shaeffer

ARE YOU FROM BOYS STATE

(To the tune of "Are You From Dixie")

Are you from Boy's State, I say from Boy's State?
Where those Legion Counselors are waiting for you,
Here at old L.U., You're going to know me
For the things I'm going to do.
If you're from North or South or East or West or Bayside too,
Any place that you can call a home for you.
Then you're in Boy's State, Hurray for Boy's State
'Cause I'm from Virginia too!

Words by Tom and Marie Dobyns

THE STAR-SPANGLED BANNER

O, say, can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the Perilous fight,
O'er the ramparts we watch'd were so gallantly streaming?
And the rockets red glare, the bombs bursting in air,
Gave proof thru the night that our flag was still there.
O' say does that Star Spangled Banner yet wave
O'er the land of the free and the home of the brave.

YOU'RE A GRAND OLD FLAG

You're a grand old flag; you're a high-flying flag
And forever in peace may you wave,
You're the emblem of the land I love
The home of the free and the brave.
Every heart beats true for the red, white and blue
Where there's never a boast or brag.
Should old acquaintance be forgot?
Keep your eye on the grand old flag.

AMERICA THE BEAUTIFUL

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain,
America! America!
God shed His grace on Thee,
And crown thy good with brotherhood
From sea to shining sea.

GOD BLESS AMERICA

God Bless America, Land that I love,
Stand beside her and guide her
Through the night with the light from above,
From the mountains, to the prairies
To the ocean white with foam,
God Bless America, my home sweet home
God Bless America, my home sweet home.

THE U.S. ARMY SONG

First to fight for the right,
And to build the Nation's might,
And The Army Goes Rolling Along
Proud of all we have done,
Fighting till the battle's won,
And the Army Goes Rolling Along.

Then it's Hi! Hi! Hey!
The Army's on its way.
Count off the cadence loud and strong (TWO! THREE!)
For where e'er we go,
You will always know
That The Army Goes Rolling Along.

THE MARINE'S HYMN

From the Halls of Montezuma,
To the shores of Tripoli;
We fight our country's battles
In the air, on land, and sea;
First to fight for right and freedom
And to keep our honor clean;
We are proud to claim the title
Of United States Marine.

Our flag's unfurled to every breeze
From dawn to setting sun;
We have fought in ev'ry clime and place
Where we could take a gun;
In the snow of far-off Northern lands
And in sunny tropic scenes;
You will find us always on the job--
The United States Marines.

Here's health to you and to our Corps
Which we are proud to serve
In many a strife we've fought for life
And never lost our nerve;
If the Army and the Navy
Ever look on Heaven's scenes;
They will find the streets are guarded
By United States Marines

THE U.S. COAST GUARD SONG (SEMPER PARATUS)

We're always ready for the call,
We place our trust in Thee.
Through howling gale and shot and shell,
To win our victory.
"Semper Paratus" is our guide,
Our pledge, our motto, too.
We're "Always Ready," do or die!
Aye! Coast Guard, we fight for you.

THE U.S. NAVY SERVICE SONG "ANCHORS AWEIGH"

Anchors Aweigh, my boys
Anchors Aweigh
Farewell to college joys
We sail at break of day, day, day, day
Through our last night ashore
Drink to the foam
Until we meet once more
Here's wishing you a happy voyage home!

THE U.S. AIR FORCE SONG

Off we go into the wild blue yonder,
Climbing high into the sun;
Here they come zooming to meet our thunder,
At 'em boys, Give 'er the gun!
Down we dive, spouting our flame from under,
Off with one helluva roar!
We live in fame or go down in flame. Hey!
Nothing'll stop the U.S. Air Force!

Here's a toast to the host
Of those who love the vastness of the sky,
To a friend we send a message of his brother men who fly.
We drink to those who gave their all of old,
Then down we roar to score the rainbow's pot of gold.
A toast to the host of men we boast, the U.S. Air Force!

TAPS

Day is done, gone the sun,
From the hills, from the lake,
From the sky.
All is well, safely rest,
God is nigh.

Fades the light; And afar
Goeth day, And the stars
Shineth bright,
Fare thee well; Day has gone,
Night is on.

Thanks and praise, For our days,
'Neath the sun, Neath the stars,
'Neath the sky,
As we go, This we know,
God is nigh.
