History of Boys State by W. Glen Rardin

Within the Commonwealth of Virginia, for one week each year, a new state comes into being. The physical boundaries of this state are the limits of the Liberty University campus, but there are no limits to its usefulness in promoting real life citizenship.

The youth movement known as Boys State was originally sponsored by the American Legion to counteract Pioneer Camps which were being conducted in the United States by the Nazi Freedom Foundation. Pioneer Camps taught that although the democratic form of government has served its purpose well, it was outdated and should be replaced by a fascist form of government. Legionnaires in Illinois decided to organize schools to teach youth the American way of life—AMERICANISM. They believed that youth knew the rights and privileges they enjoy under our form of government, they would never support any “-ism” except Americanism.

The Americanism Committee of the American Legion of Illinois obtained use of the State Fairgrounds a week in June 1935. Volunteer American Legion counselors assembled at the Fairgrounds to clean and disinfect cattle stalls, set up borrowed bunks, arrange meeting rooms, purchase food, and set up a field kitchen borrowed from the National Guard.

They had contacted all the high school principals of their state and asked them to select their junior class leaders to attend the new government school to study the Constitution and the government of the state of Illinois. 235 high school leaders arrived to participate in the government school. During that week, delegates were asked to suggest a suitable name for the program. The name BOYS STATE was suggested by one of the delegates and unanimously adopted.

Other states followed Illinois in organizing Boys State programs. In 1939, the American Legion Department of Virginia, with the cooperation of Virginia Polytechnic Institute, organized the Old Dominion Boys State. The program was not held during the war years 1942-1945. Since 1956, the official name of the program has been THE AMERICAN LEIGON BOYS STATE OF VIRGINIA INC. It currently meets each June on the campus of Liberty University.

The program of training has been developed on the assumption that youth can best learn by doing. The mechanics of government are patterned after those actually used in local and state governments in Virginia. Boys State is a true democracy in that all of its citizens may vote and are eligible to hold office. It aims at all times to make its programs of training in citizenship effective by creating a wide range of opportunities for participation in all forms of government.

The danger of Nazism no longer exists in today's world. Yet, our way of life is still threatened by forms of government alien to our democratic ideas as well as apathy among our own citizens. The American Legion continues to sponsor Boys State in the belief that young citizens who are familiar with the operation of our government will be better prepared to uphold its ideals.

In Memory

Roger Messier

This past year Boys State lost a great friend and supporter, Roger Messier. Roger had been the Master of Ceremonies for Virginia Boys State for 20 years. In 2008 he was inducted into the Boys State Hall of Fame an honor he cherished. Roger served our great country in the USAF Korean Conflict for four years and was a member of the NASA-Houston Space Program Team receiving various awards to include the NASA Exceptional Bravery Award.

Roger's American Legion career spanned many years and he served in many different offices to include Department Commander 1989-1990, National Executive Committee 1993-97 and Chairman Internal Affairs Committee. He was a mentor to many of the Legionnaires who presently hold office in Virginia. Roger was instrumental behind the scenes in helping to format policies, activities and programs for the Department of Virginia.

Prior to his passing, Roger, was a very active community leader serving with distinction on Poquoson City Council from July 1990 to December 31, 2002, during which time he served as Vice Mayor from July 1996 to December 31, 2002. He served two full terms on the Poquoson School Board from 1983-89 during which time he was Chairman for three years.

Roger will long be remembered and respected for his leadership and unselfish devotion to his community and his country.
