A Proud History

The youth movement known as Boys State was originally sponsored by the American Legion to counteract Pioneer Camps which were being conducted in the United States by the Nazi Freedom Foundation. Pioneer Camps taught that, although the democratic form of government has served its purpose well, it was outdated and should be replaced by a fascist form of government. Legionnaires in Illinois decided to organize schools to teach youth the American way of life. They wanted to develop some type of educational program giving youth a better understanding of our system of government and to instill in them ways to preserve the freedoms we have under our democratic way of life.

The Americanism Committee of the American Legion of Illinois obtained use of the State Fairgrounds for a week in June 1935. The Legion contacted the high school principals in their state and asked them to select junior class leaders to attend a new program to study the Constitution and government of the State of Illinois. During that week the delegates were asked to suggest a name for the new program. The name Boys State was suggested and unanimously adopted. On completing a course of study based on American values and an in depth study of local and state government structure the program was approved by the American Legion National organization and given the name Boys State.

Other States followed Illinois and developed Boys State programs based on their respective constitutions and governmental structures. In 1939 the American Legion Department of Virginia, with the cooperation of Virginia Polytechnic Institute, organized the Old Dominion Boys State. In 1956 the name was changed to The American Legion Boys State of Virginia. It has been held during the month of June every year since 1939 with the exception of the war years of 1942-1945.

The Boys State program has been developed and refined on the assumption that youth can best learn by doing. The curriculum is patterned after actual mechanics of the state and local governments in Virginia. Divided into 16 separate cities, the citizens elect mayors, delegates, senators, judges, and city officials to carry out the duties of each. They are divided into two political parties and each party selects nominees for the state offices of Governor, Lieutenant Governor and Attorney General. The winning candidates form a micro functioning state government which crafts and passes laws. The laws passed by the assembly and signed by the governor are presented to the assembled citizens during the last assembly before graduation. All graduates take with them an understanding of the democratic process and the way Virginia government works.

Boys State is not just concerned with the government process, but is also concerned with the well-rounded citizen. With that in mind a complete activities program is included. There are organized sports, a band, a choir, a daily newspaper and educational programs other than government. There is also a talent show which gives the boys a chance to show off their skills and talents.

The Boys State program is staffed entirely by volunteers who devote at least one full week of their time (vacation or otherwise) to the program. Some give more time during the year to develop and plan for a successful Boys State experience.

2011 Hall of Fame Inductees

Garland “Ray” Rhyne

Legionnaire Ray Rhyne graduated from Southern Illinois University with a Degree in Political Science. He retired as a Lieutenant Colonel Infantry Officer from the United States Army in 1992 with over 29 years of military service. He worked for the Federal Government in various positions culminating with his retirement from the Department of Homeland Security in 2007. He has served the American Legion at all levels, Post, District, Department, and National. He currently serves on the National Homeland Security Commission. Ray has contributed to the success of the American Legion Boys State of Virginia program by serving as the Newspaper Editor, Chief of Logistics, and currently as the Yearbook Editor. American Legion Boys State has and continues to be his passion.

Marty Rhyne

Legionnaire Marie “Marty” Rhyne (Retired Master Sergeant US Army) has served the Boys State program since 1997 at all levels, from Post to District to State. As Registrar she modernized and streamlined the registration process. As a member of the board of directors of Boys State, She proposed, designed and implemented the first Virginia Boys State Web page. She is also a tremendous asset to the Virginia American Legion at the Post, District, State and national levels. She is one of the very few who have achieved the following distinctions: Post Commander of the year with 100% membership, District Commander of the year with 100% membership, and Department Vice commander of the year with 100% membership. She is also well respected at the National level and has served as secretary for the National Defense Committee at the National Convention for the past several years, and is a graduate of and facilitator for the National American Legion Leadership College.

These Legionnaires are recognized for their outstanding humanistic qualities, career accomplishments, local and state achievements; and held in high esteem by their peers and honored by their associates for their contributions and achievements; and who, for God and country, have unselfishly placed themselves below others and service above personal gain in their defense of democracy and freedom equality and opportunity, while carving out an enviable life's record in a multitude and variety of worthy endeavors; is forever enshrined in the American Legion Boys State Hall of Fame, June 24th 2011

In Memory

DOMINICK SCAFFIDO

Was a member of the Boys State staff for 39 years. He began his service in 1965 and held many different positions during his service to the organization to include member of the Board of Directors to which he served as secretary for over a decade. He retired from his Boys State Logistics and Special Services position in 2003. Dom was inducted into the Boys State Hall of Fame during the 1989 session for his outstanding contribution to the Boys State Program.

BRUCE JAMERSON

Began his Boys State service in 1981 and was a very valuable member of the Boys State legislative staff for 30 years. He completely redesigned and implemented the Legislative program for Boys State to replicate the actual Virginia General Assembly. As Clerk of the Virginia House of Delegates, his expertise and ability to recruit others to support Boys State was invaluable. Bruce was a member of the Boys State Board Of Directors, served as Secretary for many years and was inducted into the Boys State Hall of Fame in 2001 for his superb leadership.
