Boys State of Virginia

73rd Session
Radford University
Radford, Virginia

2015

In Memory

John R. Bright

John R. Bright, born December 7th, 1930 was a sixty-two year member of the American Legion. After high school he joined the United States Air Force and upon separation he worked in the Norfolk Naval Shipyard as an electronics mechanic, nuclear electrical/electronic inspector, and finally as an electrical/electronic planner and estimator. Moving to the Naval Supply System he was a contracting officer's technical representative until retirement in 1986. John was a member of the Magnolia Methodist Church for over sixty years, Virginia Boys State volunteer for forty-seven years, volunteer to Cub Scouts and Boys Scouts, Suffolk Red Cross Volunteer, National Active and Retired Federal Employees Suffolk Chapter 1743 member and a twenty-one gallon blood donor. John passed away on March 13, 2014, but his lifetime commitment to his community, state and nation was well demonstrated by his choice of activities. John R. Bright is survived by his wife of sixty-eight years, Vera Jakeman Bright; son Arthur M. Bright and wife Faye, son John A. Bright and wife Lynn, son Steven L. Bright and wife Deborah, and seven grandchildren, Henry, Arthur, Cabel, Seth, Joshua, Samantha, and Thomas and his wife Jena.

William O. Lewis

William O. Lewis was the son of Oscar and Mattie Mae Lewis entered into a peaceful rest on April 24th, 2015 at the Palliative Care Unit of McGuire Veterans Hospital in Richmond. William, known as "WO", was born into a large loving family on January 25th 1942. Upon high school graduation he chose to join the United States Army, where he served honorably for sixteen years. WO never quit serving. He was a faithful member of the American Legion, Veterans Club, Veterans of Foreign Wars, the Forty and Eight Societe, and he volunteered in the Richmond Public School System with the Drug Abuse Resistance Education (DARE) programs. He led by example and though an avid bowler in several leagues and a fisherman, he completed his degree in sociology from J. Sargent Reynolds and Virginia State University. He is remembered lovingly by his devoted daughter La'Toyia T. Lewis, granddaughter Ka'Diya T. Lewis, very special friend Louvenia Spinks, sisters Grace Martin, Anita Lewis, Ada Morris, Clara Dickerson, Rebecca Lewis, Corena Amerson, adopted sister Shareitta Bell, adopted brother Raymond Lewis and a host of nieces, nephews, cousins, personal friends and his many friends and associates in the American Legion, VFW, and Forty and Eight Society. His nineteen years of service to Boys State in conjunction with his lifetime of service guarantees his remembrance by those who knew him.

Carrol Gene Cannon

Carrol Gene Cannon was a retired train engineer of thirty-five years, former deacon his church, a United States Navy veteran, a Post Adjutant for six years, and 1st Vice Commander of American Legion Charles R. Younts Post 73 in Franklin, Virginia who served in various other capacities within his post and the American Legion Department of Virginia Fourth District. Carrol also served as counselor with the Law Enforcement Cadet program for two years and as a Virginia Boys State Counselor for seven years. A Legionnaire for only nine years he was always busy. Carrol's manner, temperament, and sense of humor made him well suited as a Boys State Counselor who was highly respected by his peers and associates within the Legion and Boys State families. The son of David H. and Mary King Cannon, he passed away on September 4th, 2014. Carrol was survived by his wife of 45 years "Ella" Jean Gordon Cannon, daughter Tammy C. Woods and her husband Mike, daughter Leslie C. Whitehead and her husband Leonard, and granddaughters Kelsey and Kristen Whitehead. Only 71 years of age at his passing, he will be missed by friends, family, and associates alike.

A Proud History

The youth movement known as Boys State was originally sponsored by the American Legion to counteract Pioneer Camps which were being conducted in the United States by the Nazi Freedom Foundation. Pioneer Camps taught that, although the democratic form of government has served its purpose well, it was outdated and should be replaced by a fascist form of government. Legionnaires in Illinois decided to organize schools to teach youth the American way of life. They wanted to develop some type of educational program giving youth a better understanding of our system of government and to instill in them ways to preserve the freedoms we have under our democratic way of life.

The Americanism Committee of the American Legion of Illinois obtained use of the State Fairgrounds for a week in June 1935. The Legion contacted the high school principals in their state and asked them to select junior class leaders to attend a new program to study the Constitution and government of the State of Illinois. During that week the delegates were asked to suggest a name for the new program. The name Boys State was suggested and unanimously adopted. On completing a course of study based on American values and an in depth study of local and state government structure the program was approved by the American Legion National organization and given the name Boys State.

Other States followed Illinois and developed Boys State programs based on their respective constitutions and governmental structures. In 1939 the American Legion Department of Virginia, with the cooperation of Virginia Polytechnic Institute, organized the Old Dominion Boys State. In 1956 the name was changed to The American Legion Boys State of Virginia. It has been held during the month of June every year since 1939 with the exception of the war years of 1942-1945.

The Boys State program has been developed and refined on the assumption that youth can best learn by doing. The curriculum is patterned after actual mechanics of the state and local governments in Virginia. Divided into 16 separate cities, the citizens elect mayors, delegates, senators, judges, and city officials to carry out the duties of each. They are divided into two political parties and each party selects nominees for the state offices of Governor, Lieutenant Governor and Attorney General. The winning candidates form a micro functioning state government which crafts and passes laws. The laws passed by the assembly and signed by the governor are presented to the assembled citizens during the last assembly before graduation. All graduates take with them an understanding of the democratic process and the way Virginia government works.

Boys State is not just concerned with the government process, but is also concerned with the well-rounded citizen. With that in mind a complete activities program is included. There are organized sports, a band, a choir, a daily newspaper and educational programs other than government. There is also a talent show which gives the boys a chance to show off their skills and talents.

The Boys State program is staffed entirely by volunteers who devote at least one full week of their time (vacation or otherwise) to the program. Some give more time during the year to develop and plan for a successful Boys State experience.

Hall of Fame

Richard Fargo Wells

In recognition of his over thirty years of dedicated and loyal service to The American Legion Boys State of Virginia. Fargo is hereby recognized for his outstanding humanistic qualities and accomplishments not only to the Boys State program but for his continuing service to the local, Department, and National organizations of The American Legion and Sons of the American Legion. Fargo is held in the highest esteem by his peers and honored by his associates for his contributions and achievements; and who, for God and country, has unselfishly placed his self below others and service above personal gain in his defense of democracy, freedom, equality and justice. Therefore before this body, it is a distinct honor to elect and enshrine R. Fargo Wells in The American Legion Boys State Hall of Fame.
